## PRINCIPAL'S NEWS

### Assembly

Tomorrow we will hold a whole school assembly in the hall from 2pm where Year 5 will present their Leadership Speeches. This is an opportunity for our students wishing to become a School Leader to tell the school community why they would like to be a School Leader and what they will do to uphold the school values of Respect, Responsibility and Excellence.

We will also have a representative of the Somersby/Kariong Rotary Club at the assembly to present their annual Citizenship Award. We look forward to announcing to the school community who our recipient is this year.

All family members are invited to come along.

### Questacon

Next Wednesday we will be having an incursion delivered by Questacon. Those students who have been on our Canberra excursion know how much fun Questacon is so we are thoroughly looking forward to their visit. They will be here from 9 – 10am in the hall.

### K-2 Reptile Park Excursion

Next Friday, 6<sup>th</sup> of December our K – 2 excursion will be on at the Reptile Park. Any parents wishing to come along are welcome to, a note has been sent home about this regarding payment. **Only those with Working With Children's Checks will be permitted to have other students in their group apart from their own child.** If you need to fill in a Declaration, it can be done in the office.

There are some seats available on the bus for parents. Please see Mrs Cranstone if you would like to travel on the bus.

### P&C Christmas Raffle

We are still collecting donations for the P&C raffle in the office. **Raffle tickets have been sent home today and are due to be returned by Wednesday 11<sup>th</sup> December.** For every book returned sold your child will receive a 'Somersbee' award. The draw will take place on Presentation Day (Friday, 13<sup>th</sup> December).

### Bathroom Art Project

Over the next few weeks we will be working with Kariong Mountains High School students to upgrade our student bathrooms with murals. Our senior leaders met with KMHS staff and art students and have come up with some wonderful ideas regarding what can be done to brighten up the bathrooms. We look forward to presenting the finished product!

## Capital Works Update

Over the next few weeks, and also over the Christmas holiday period, we will be having a significant amount of work done around the school. Tomorrow we will have temporary fencing delivered to go around the site where a new demountable classroom will be placed (in the space beside the hall). We are expecting delivery of the demountable in the coming weeks.

We will also have the stage in the hall dropped and a ramp put in for wheelchair access to the stage. The hall will also have a wheelchair compliant ramp put in and a covered walkway from the hall to the back of the K/1 classroom.

If you have any questions about the work please do not hesitate in contacting me.

# YEAR 5/6 ARTWORK

This artwork is inspired by Kimmy Cantrell.

Maggie learnt how to make these cardboard masks at GAT camp.

Kimmy Cantrell finds beauty in imperfection.

And a huge thank you to Skye & Jeremy Smith for supporting 5/6 in being able to complete this project.
