PRINCIPAL'S NEWS

Small Schools Cross Country

Congratulations to all our students who competed at the Small Schools Cross Country last Friday. It was a great day and the rain did hold off until late in the day. I was pleased and proud to see our students do their best, even when exhaustion was near. Somersby PS was the carnival's winner on the day.

Congratulations must go to the following students who were age champions on the day: Odin – 11 Years Boys Champion, Emmerson – Senior Girls Champion and Zoe—10 Years Girls Champion.

Mother's Day Stall

Thank you to our wonderful P & C who held the annual Mother's Day Stall this morning. The gifts that they sold looked great and the morning was very successful.

I'd like to wish all the Somersby PS Mums a Happy Mother's Day for Sunday.

K/1 Classroom

Mrs Cranstone and K/1 have been so excited about their refurbished classroom. It is time we showed it off to all in our school community. We would like to welcome all parents to an afternoon tea, next Wednesday 15th May at 2:15 pm, to celebrate the classrooms new look. Come along have a cuppa and a look at the refurbished room.

NAPLAN Reminder

A reminder that NAPLAN will begin next Tuesday. It is important that parents see this assessment as only a snapshot of what your child has learnt. Please be mindful that the assessments will begin in the mornings and it is important, as always, that students are at school on time each day.

Veggie Cart

Keep an eye out for the veggie cart after school. Our students pick fruit and veggies daily. I purchased some rhubarb last week and it was delicious.

Professional Learning

The teachers from Somersby PS will be participating in their own learning this Saturday. They will be attending Central Mangrove PS and learning about a whole school approach to Mathematics. It looks like it will be an interesting day for myself and the teachers at our school.

Stewart House

Each year 1,700 public school children in need come to Stewart House from many parts of NSW and the ACT. During their stay, children are provided with optometric, dental and medical treatment as well as emotional support.

This is balanced with health and educational programs and out of school activities to boost their self-esteem and to promote a healthier lifestyle. Children in the care of Stewart House attend a specific purpose school onsite for 8 days of their 12-day stay. The NSW Department of Education provides infrastructure and staffing support for this school. All other costs associated with the children's stay are met from charitable donations. Children between school Years 2 and 8 are invited to attend the program.

Stewart House needs your support to ensure we can continue to provide important services to children. Our annual donation drive is now taking place. By donating just \$2.00 in the envelope being sent home with your child today, your family has the chance to win a holiday of your choice valued at \$4,000. Please return all donations to your school office by 9.00am on Friday 24th May, 2019 to be eligible for the prize draw.

Thank you!
