The students are very excited about this and I can't wait to see the performances.

The Children's Book Council of Australia Book Week

Each year across Australia, the CBCA brings children and books together in Book Week. Here at Somersby we are fortunate enough to have purchased a number of the books that have been short listed for awards this year. Children will be able to enjoy these books as soon as they have been covered.

If there is anyone who would like to cover a few of the books, please see Mrs Comensoli in the office.

Carnevale Masks

Thanks must go to the Tuggerah Lakes Art Society for donating Masks for every student at Somersby PS. All children will be decorating the masks as part of their visual arts lessons at school however for it to be entered into the competition and be displayed at the ART House in Wyong, a signed permission note needs to be returned. These notes should be returned as soon as possible.

School Hats

I have noticed lately that there are a few children without hats at school. Even though the days are cooler and the sun is not as strong, it is important that students wear a hat each day in the playground. I have spoken with the students about this and they are aware that without a hat they must remain under the shade area and in the basement.

Tomorrow the Responsible Pet Education Program is coming to visit K-2 at your school!

My pet dog will be coming to help teach you how to be safe around dogs and how to say hello to dogs with their owners!

There will be lots of listening, role plays, singing and some dancing. My dog may even meet you during the visit.
