PRINCIPAL'S NEWS

Stage 3

Stage 3 attended a transition Gala Day at Kariong Mountains HS. I am pleased to say that our Stage 3 students represented our school well, demonstrating the school values of Respect, Responsibility and Excellence at all times throughout the day. Well done Stage 3!

Congratulations

Congratulations to Maggie and Eve. They have both successfully auditioned for roles at the Central Coast Choral Festival. Eve has secured an MC role and Maggie a solo part at the festival.

Good Luck

Good luck to Callum and Emmerson as they are competing at the Sydney North Cross Country tomorrow.

Notes

My apologies for all the permission notes that we are asking you to fill out and return to school. I understand it becomes frustrating for parents when there are so many. However our students are being exposed to many worthwhile experiences.

NAIDOC Day

The Small Schools NAIDOC Day Celebrations will be held on the first school day next term, **Tuesday 23rd July** at Jilliby PS. Our school will be paying for the bus and subsidising all activities for students on the day, so there will be no cost to parents. There is an option to order lunch on the day and information about that will be sent home, along with a permission note, for the day. We would appreciate it if permission notes are returned as soon as possible as we cannot give reminders in the preceding days, as it will be the school holidays.

The Twits

Students in Years 2 to 6 will be going to the Art House at Wyong on **Friday 26th July** to watch a matinee performance of Roald Dahl's "The Twits". We must order and pay for the tickets by **Monday 24th June**. If your child would like to attend please return the green permission note to the office tomorrow morning.

Reports and Parent/Teacher Interviews

Accompanying the Newsletter today will be a booking sheet for Parent/Teacher interviews. If you would like an interview with your child's teacher, please fill this in and send it back to school as soon as possible. Student reports will go home on Thursday next week. Thank you to the teachers who have been working very hard on their students reports.

Nationally Consistent Collection of Data (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognize the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.
