PRINCIPAL'S NEWS

We are officially half way through Term 3. We have had many opportunities this term for our students to shine and we thank all of our community for supporting our school and students to access these opportunities.

Staff Changes

Due to unforeseen circumstances, Ms Blumer will no longer be teaching 5/6G. Mrs Gowans will be teaching the class Monday and Tuesday and we welcome Mrs Tomi Liddle to Somersby. Mrs Liddle will be teaching 5/6G on Wednesday, Thursday and Friday.

School Drop Off

School supervision begins at 8:30am each morning. It is important that students *are not dropped off* at school before this time as there is no supervision for early arrivals.

External Validation – EV

You have heard a lot about our EV journey which has kept Mrs Cranstone off class for portions of this term.

I am pleased to be able to let you all know that we have completed EV this week and have achieved positive results for our school. The EV process does not end in a pass/fail evaluation, however if it did we would be pleased to have confidently passed this evaluative process.

I would like to thank all the dedicated staff of Somersby PS for your commitment and efforts which has resulted in this fabulous outcome.

Public Speaking Final

Congratulations to all our students who attended the Public Speaking Final at Mannering Park last week. All received a wonderful certificate to acknowledge their effort on the day. Well done to all our finalists.

Small Schools' Carnival

Last week was the Small School's Athletics Carnival at Mingara. Congratulations to all Somersby students on their fantastic efforts on the day and for their excellent behaviour at the carnival. We have been named Small School Champions as a result of the points calculations that have taken place over this week.
