PRINCIPAL'S NEWS

Stage 2 & Stage 3 Camps

Off to camp we go! **Stage 2** are having a fantastic time away at camp. The surprise of a double decker bus waiting for the students yesterday morning was wonderful to see as they boarded a bus with stairs!

They will be tired when they return, they have been very busy! The bus is expected back to Central Mangrove at 5pm.

Stage 3 Camp is this coming Monday, 16th September 2019. Students need to be at PEATS RIDGE PUBLIC SCHOOL by 8:30am for a 9:00am departure. A note was sent home today with last minute reminders! Looking forward to a great camp!

We will be returning to PEATS RIDGE PS on Wednesday 18th September 2019 at approximately 3pm. There will be updates on Skoolbag and Facebook as we make our way home.

Tree

I would like to thank everyone for your patience and support on Monday due to the large tree which, thankfully, fell on Friday after we had all left school. The tree stump will be removed in the coming weeks and our little army of mulchers have begun spreading the mulch into the gardens.

Thank you for the many offers of your time, chainsaws and other equipment to assist us in removing the tree. I am so proud to be associated with such a supportive community.

Spelling Bee

Congratulations to Zoe, Connor, Joshua and Gillian for their excellent effort at the final of the 2019 Spelling Bee. All students represented the school with pride and displayed amazing spelling skills! Well done to you all.

Bushfire Safety

We have been busy preparing the school for the bushfire season this year. We had a visit today from Shane Geerin, who is the Inspector for the Rural Fire Service on the Central Coast. Inspector Geerin was impressed with our beautiful school and discussed our fire plan and assisted us to complete our planning for the bushfire season.

We will be continuing to practise our emergency drills and practising being prepared.

Have you prepared your place?

Cancer Council NSW SunSmart Snippet

The simplest way
...to choose a sun-safe hat!

Hats are one of the easiest ways to protect you from UV radiation.

Like all sun protection, hats are needed when the UV is 3 or above. Download the free SunSmart App to find out when the UV level will be over 3. Most parts of NSW experience high UV throughout the year, especially from October to March.

A sun-safe hat protects the whole face, head, back of the head and ears.

Styles of Sun-safe hats:

- ✓ Broad-brimmed
- ✓ Bucket
- ✓ Legionnaire-style

Baseball caps and sun visors do not protect the cheeks, ears and back of the neck and are not recommended.

To help keep your kids safe in the sun, check your schools SunSmart status by heading to www.sunsmartnsw.com.au
