### PRINCIPAL'S NEWS

#### Illness

This week we have seen an unusual level of sickness going through the school. On Tuesday the sick bay was full of children who we needed to send home. If your child lets you know they are sick in the morning please do not send them to school, or be prepared for us to call you to come and collect them.

#### Contact Details

It is of critical importance that we have the correct contact and medical details for your child on record at school. We will be sending home the details we have on file for you to check next week. Please take the time to make any necessary changes and return to school. If no changes are required please note on the form and return to school.

#### Small Schools' Swimming

Best of luck to our swimmers today, we know you'll make us proud by 'giving it a go'!

#### Cross Country

Our school cross country will be held this year on **Friday, 3<sup>rd</sup> April**. In preparation for this classes will be participating in training throughout the week and therefore wearing joggers to school would be advisable.

#### Staff Professional Learning

Today and tomorrow Mrs Gowans will be attending a professional learning course focusing on numeracy. Mr Burton will be taking the class for these days and I know he's looking forward to it.

#### Circus Oz

A reminder for those students in Years 3-6 wishing to attend Circus Oz that **notes** and **payment** are due by **Friday, 6<sup>th</sup> March**.

## Kariong Mountains High School Green Belt

As we have several families whose children catch the bus from Kariong Mountains High School I'd like to update you on changes that will be taking place there.

The section of Mount Penang Parklands just south of Kariong Mountains High School is no longer under the ownership of Hunter and Central Coast Development Corporation and has been acquired by The Stevens Group.

The blue shaded area will be completely fenced off, starting from Monday 24th February. This will restrict parking and pickup areas and students will no longer be able to take shortcuts across the greenbelt.

There will be limited parking between the road and fence boundaries (approximately 3m width) along Festival Drive.

### Environment News

This year we will be doing return & earn. If you have any non crushed bottles or cans please bring them in and put them in the tall yellow bin in the basement, or the can depot cage (near the bus shelter).

### Canteen News

We have a couple of items on specials this week. First item is **Quelch Ice Blocks** - Reduced to **50c** and also **Chocolate Milk** - reduced to **\$1.00**

Thanks Mandy

'building • developing • excelling'

We see children experiencing difficulties with:

Gross motor skills

Fine motor skills

Sensory Processing

Handwriting

ASD

Social Skills

Cognitive skills

School Readiness

We also run group programs every school holidays for Handwriting and Social Skills. These run for an hour each day for a week. The children learn many new skills and make great progress while working in a fun, supportive environment.

### Holiday Handwriting Happenings

Handwriting groups focus on:

- Correct posture and grip
- Letter formation, sizing and spacing
- Organisation and written output
- Creative writing

For further information on our groups please contact us for a flyer and details.

### The Incredible Flexible You

Social Thinking groups are designed to help young learners develop the skills they need to be flexible thinkers and social problem solvers. These fun groups encourage better choices and decisions when in the midst of social play and interaction.

## HELP NEEDED FOUND!

Does anybody recognise this super sweet girl. She was dropped into us yesterday afternoon as a stray. We think she may have gone walk-about when the storm passed over.

If you know her please contact Somersby Animal Hospital on 43721799
